**Indian Creek – Lindenwood, Jamestown to Arrowhead, Stormwater Improvements
City Project Number 2-C-016-22
LOMR Notice**

Community Notification

The City of Olathe, in accordance with National Flood Insurance Program regulation 65.7(b)(1), hereby gives notice of the City's intent to revise the flood hazard information, generally located between 151st Street and Sheridan Ln, east of I-35 Highway. Specifically, the flood hazard information will be revised along Indian Creek from a point approximately 950 feet south (upstream) of Pawnee Drive to a point approximately 50 feet north (downstream) of Sheridan Bridge Ln.

As a result of the revision, the floodway will widen and narrow, the 1-percent-annual-chance water-surface elevations shall increase and decrease, and the 1-percent-annual-chance floodplain will widen and narrow within the area of revision.

Maps and detailed analysis of the revision can be reviewed at the City of Olathe, Robinson Campus, at 1385 S. Robinson Drive, Olathe, KS 66061.

Interested persons may call the City's Project Manager, Neil Meredith at 913-971-9075 for additional information from 8 am to 5 pm, Monday through Friday.
